SANCTUMSHIELD • AI GOVERNANCE AT A GLANCE

Know your AI. *Prove it on any date.*

Dated AI governance records for leadership, and role-based AI training for your people.

BUILT FOR

- Board
- CEO
- CISO
- Counsel
- Every employee

THE RECORDS YOU RECEIVE

AI Inventory
Every AI tool, feature and agent in use

AI Acceptable Use Policy
The rules your leadership sets for AI

Executive Risk Report
Findings and next steps from your answers

Board Memo
AI risk in plain language for directors

Verification Record
Anyone you share with can check the date

AI Posture Summary
One page for your broker or auditor

AI Governance Coach
Ask by voice or text. Sourced answers, never verdicts.

SanctumShield Academy
Five role-based AI tracks with a dated Record of Completion for each person.

HOW IT RUNS

Assess → Record → Train → Verify → Compare

Mapped to the EU AI Act, NIST AI RMF and ISO/IEC 42001.

WHERE TO START

1. **Free Shadow AI Check** — See where AI is already in use
2. **AI Governance Audit** — Receive your full set of records
3. **Executive AI Trust Assessment** — Guided review with a CISSP
